Investors should consider the investment objectives, risks, charges, and expenses of the Fund carefully before investing. The prospectus and summary prospectus contain this and other information about the ETF and can be obtained from the Fund's distributor, Baron Capital, Inc., by calling 1-800-99-BARON or visiting BaronCapitalGroup.com. Please read them carefully before investing.

Investors generally incur the cost of the spread between the prices at which shares are bought and sold. Buying and selling shares may result in brokerage commissions which will reduce returns.

Prior to trading in the secondary market, shares of the fund are "created" at NAV by market makers, large investors and institutions only in block-size Creation Units. Each "creator" or "Authorized Participant" enters into an authorized participant agreement with Baron Capital, Inc. Only an Authorized Participant may create or redeem Creation Units directly with the fund.

Investors buy and sell shares of ETFs at market price (not NAV) in the secondary market throughout the trading day. These shares are not individually available for purchase or redemption directly from the ETF. Baron Capital, Inc. serves as the distributor of the Creation Units for the ETFs on an agency basis. Baron Capital does not maintain a secondary market in Fund's shares.
